

# PNC

## REGISTRATION INSTRUCTIONS

*These instructions are intended to help clinical workers understand how to successfully add and edit clients into the PNC system. Please follow the instructions as best as you can in order to achieve accurate records.*

# 1

# GETTING STARTED

1. Login to PNC
2. Choose Open Registration
  - ▶ Check for client in system
  - ▶ If client is not there, choose *New Client* to begin registration

The screenshot displays the OpenRegistration v12.10 application window. The title bar shows the application name and standard window controls. The main window is titled 'Test, Patient 25 (Billy) - Client #: N0019400' and shows the date '1/1/2016 - M - 14 mos'. The interface is divided into several sections:

- Left Navigation Menu:** Includes buttons for Registration, Eligibility, Insurance, Client Photo, Misc, Admin Alerts, Admin Notes, Ins. Cards, Ins. Account, Scanned Docs, Eligibility Setup, and Insurance Setup. A 'New Client' button is located at the bottom of this menu.
- Registration Section:** Displays client details: DOB: 1/1/2016 (14 mos), Sex: Male, Race: Unknown, SSN: 555-12-3333, Marital: Single, First Known: 3/9/2017, Preferred Name: Billy, Patient Type: Community Member, Internal ID: 1953.
- Emergency Contact Section:** Lists John Smith (Father) and Sally Smith (Mother) with their respective contact information.
- Eligibility Summary Section:** Shows a status of 'Not Eligible'.
- Alerts Section:** Contains two alerts: 'Agreement to Treatment --unspecified--' and 'Privacy Notice: --unspecified--'.
- Address/Tel Section:** Provides local and permanent addresses, along with mobile and email contact information.
- Academic and Registration Comment Sections:** Currently empty.

A green box highlights the search bar at the top left and the 'New Client' button at the bottom left of the navigation menu.

Please Note: All items with \*\* must be completed on all input fields.
