Fifty Utah educators will be selected to start their journey with Youth Entrepreneurs the hands-on, experiential program that's easy to implement in your classroom. Youth Entrepreneurs (YE) cultivates an entrepreneurial mindset that isn't just for future business owners. During this training you will experience the YE difference and be empowered to leverage YE curriculum and resources to transform your classroom and your students. Join our community of educators who instill fundamental critical-thinking skills and problem-solving skills essential to success in the 21st century.
