# OPPORTUNITIES

TEAL graduate students are instructed by exceptional faculty in becoming outstanding educators, scholars, and leaders through student-focused learning experiences; school, community, and global engagement; and research and innovation that informs practice.

We are committed to furthering equitable educational opportunities for all students. We prepare teachers and educational leaders for influential participation in local and global communities. Our graduate students perform on-the-ground research and teaching with the Edith Bowen Laboratory School and the Emma Eccles Jones Early Childhood Education and Research Center.

TEAL offers world-renowned master's, endorsements, and doctoral programs.

PhD concentrations include:

- ▶ Cultural Studies
- ▶ Instructional Leadership
- ▶ Literacy Education and Leadership
- ▶ Mathematics Education and Leadership
- ▶ Science Education
