

SUPPORT FOR COMMUNITIES AFFECTED BY COVID-19

NOW ACCEPTING DONATIONS

The recent spike in COVID-19 cases in Cache Valley has impacted many members of our community, especially Latinx and refugee populations. Local faith and community leaders are working together to gather and distribute supplies for those in our community who are most vulnerable.

Below are lists of most-needed items, as well as local donation centers where items can be dropped off for distribution to community members. Monetary donations are also very welcome.

Thank you for your support—we have a wonderful community, and we will get through this together!

IF YOU NEED HELP

If you have tested positive for COVID-19, it's important that you stay in quarantine to avoid infecting others. If you or someone you know needs help with groceries or other bills, please contact the distribution center closest to you. Each distribution center has trusted volunteers who can deliver donations or go shopping for supplies. You do not need to provide your name; your address is enough to have a donation brought to your home or apartment.
