Total # of credits required for MRC: 61

Program of Study – Master’s Degree in Rehabilitation Counseling

The following programs of study are broken down by approximations of Full Time Enrollment (2-year program), ½ Time Enrollment (32 months), and ¼ Time Enrollment (44 months).

*****Students will be expected to complete their Practicum/Internship sequence in sequential semesters. Pay close attention to the program of study you select (part or full time). You will not be allowed to enroll in the Practicum/Internship sequence if you are not on track to graduate in the spring semester following your summer enrollment in REH 6140 Counseling Practicum.**
