

## **POLICY: Students with Disabilities**

### **SEARCH TERMS: Disability Resource Center, Accommodations**

If a student has a disability that will likely require some accommodation by the instructor, the student must contact the instructor and document the disability through the Disability Resource Center, preferably during the first week of the course. Any requests for special considerations relating to attendance, pedagogy, taking of examinations, etc. must be discussed with and approved by the instructor. In cooperation with the Disability Resource Center, course materials can be provided in alternative formats--large print, audio, diskette or Braille. If you have additional questions or concerns, please contact the head of the Department of Special Education and Rehabilitation. All accommodations must be coordinated through the DRC located in the Taggart Student Center, Room 104 (797-2444), <http://www.usu.edu/drc/index.html>
