

Dear Colleague,

We appreciate our association with you and your support of Utah State University teacher candidates. As an acknowledgement of your service, we are pleased to share a courtesy card at the bottom of this page. It entitles you to use the resources of the USU Merrill-Cazier Library and the Young Education Technology Center located in the education building on the USU campus. You may also use it at the USU Bookstore and received a 10% discount on most items. In addition, you will receive a small honorarium from the School of Teacher Education and Leadership for your work with USU students.

Again, thank you for sharing your expertise with teacher candidates.

Sincerely,

Sharla Hart
Director of Field Experiences

UTAH STATE UNIVERSITY
