

## Level III Practicum Dates: Spring 2026

Full Time M-F Practicum Block: March 2 – April 14

Student Arranged - 3 Practicum Days: January 23 - February 27

### **Important things to note for Level III Practicums:**

- Length of time: Students are required to attend their school for full days every day, including teacher contract hours (approximately 30 minutes before and after school).
- Objectives:
  - To develop effective teaching competencies
  - To teach alongside a veteran teacher
  - To complete content methods assignments
  - To field-test instructional strategies from methods courses
  - To practice and learn how to become a teacher!
- Final Evaluation: Tuesday, April 14: Students will complete a self-reflection using the STER form. Students will discuss their reflection with their Mentor Teacher and upload the **Level III: STER Self-reflection** form to the **ELED 5060** Canvas course. The USU Supervisor will review the uploaded document and make a recommendation on your advancement to student teaching.
